

### **CV- Dr. Alena Skalova**

PhD is Professor of Pathology at Charles University, Faculty of Medicine in Plzen, and Director of Head and Neck Pathology Consult Practice at Biopsticka laboratory in Plzen, Czech Republic.

She is an expert in the surgical pathology diagnosis of head and neck diseases. She has published more than 280 articles, 20 book chapters in numerous pathology textbooks, and co-authored a textbook on Pathology of the Salivary Glands (Springer, 2014). She is a great promotor of inter-institutional collaboration and gives numerous lectures and seminars virtually all over the world. Dr. Skalova has contributed with numerous sections in the 2005 and 2017 Head and Neck WHO books. She was an expert member of the WHO Classification of Head and Neck Tumours Editorial Board (5<sup>th</sup> edition), IARC 2024, and the responsible editor for the Salivary Gland Chapter. In 2010, she and collaborators described a new salivary tumor entity, named secretory carcinoma. She is a member of the Editorial Boards of *Am J Surg Pathol*, *Virchows Archiv*, and *Hum Pathol*.
